

# PANTHER SENTINEL

HARTNELL COLLEGE

Volume XXVIII

Salinas, Calif., Friday, Sept. 19, 1958

Number 1

## Bureau Helps College Pupils Secure Work

By John Fitzpatrick

Hartnell college operates a placement bureau to help students obtain temporary or part-time work while they are attending college, or full-time work when they graduate.

Mrs. Anne Harper, head of the placement bureau, invites students to come in and fill out applications. The bureau offers help in filling out the applications and in writing letters of application.

The placement bureau maintains an occupational bulletin board of city, state, and federal civil service job notices in the main hall. Current job listings are posted on the bulletin board near the entrance to the office. These boards are always up to date. Application blanks for many of the jobs are available in placement office.

Another feature of the placement bureau is a full rack of pamphlets and booklets concerning vocations and job information. These are the current issues and are there for the students to use.

Dr. Lionel R. Olsen, dean of student personnel, stresses that actual on-the-job work experience gives the student valuable occupational information. Work experience is available in office work and in the field of engineering, usually on a half-day basis, allowing the person to attend school half the day and to work the other half. While the student may consider such work as having only a remunerative importance, valuable insight into specific occupations is another outcome of work experience.

Junior college instructors are  
(Continued on Page 3)

## Sentinel Staff Starts Fall News Coverage With 12 Members

The Panther Sentinel staff is again endeavoring to bring students complete and accurate coverage of happenings around campus.

Heading up the staff as editor this semester is Santiago Flores, journalism major from the Philippines who is now making his home in the Alisal with his parents. His father, Melch Flores, a retired army sergeant, is one of the survivors of the Bataan death march.

Jim Gregory, a freshman journalism major from Salinas, was chosen sports editor.

Other staff members who will also assist with the sports writing are Dave Wynne, former sports editor of the Salinas high school newspaper, and John Fitzpatrick a transfer from the University of San Francisco, who formerly wrote sports at Palma high school; and Mrs. Joyce Urquidez, sophomore language major from Soledad.

Betty Lionel of Salinas will serve as advertising manager, Bob Alread, Watsonville, and David Gates, Salinas, are the photographers.

## Teachers View Construction

■ New Hartnell faculty members look over new library construction with Miss Catherine Carpenter, assistant college librarian. Pictured from left to right are Mr. Robert Harrell, Mrs. Mabel York, Miss Ruth Dally, Miss Carpenter, Dr. Michael Samsonow and Dr. Donald Head. Mr. Walter Leineke was not available for the picture.

## Six New Teachers Join Hartnell As First Semester Gets Under Way

Six new teachers have started at Hartnell this term. There are two women and four men. The women are Miss Mabel York and Miss Ruth Dally, and the men are Dr. W. D. Head, Dr. Michael S. Samsonow, Walter Leineke, and Robert S. Harrell.

Miss Dally attended Colorado State college and received her A.B. and M.A. degrees there. She has previous teaching experience at Hastings college in Nebraska. She will teach physical education and English at Hartnell.

Miss York is an English instructor. She attended Doane college, and the University of Nebraska where she received her M.A. degree. She has teaching experience at Lexington and Wilber, Neb.

Dr. Head is also an English instructor. He attended the University of Oklahoma, Vanderbilt university, Stanford university, and Memphis State university. He has his B.A., M.A., and Ph.D. degrees. He has teaching experience at Vanderbilt, and taught classes while he was an officer in the U.S. navy.

Dr. Samsonow has attended the University of Rostov-on-the-Don, Russia, the Royal Hungarian Palatin Joseph university of Budapest, and the Graduate Institute of High International Studies of Geneva, Switzerland. He has taught at the U.S. Army Language school at Monterey, at Loyola University of Los Angeles, and at the Royal Hungarian Palatin Joseph university of Budapest.

Mr. Leineke has attended Placer and Stockton colleges, College of Pacific, Sacramento State college, and San Francisco State college. He has his A.B. and M.A. degrees. He has done student teaching at San Francisco State and Sacramento State colleges.

Mr. Harrell attended Southern Illinois university for four  
(Continued on Page 3)

## Two Men, Woman Will Lead Cheers

Selection of yell leaders for the 1958-59 college year were announced Wednesday afternoon by Lotus Zuckewert, student commissioner of rallies and assemblies.

For the first time in several years Hartnell will have two male cheerleaders. Ron Welch, Watsonville, and Melvin Kirkpatrick, Salinas, both new to the Hartnell rooting section, will team up with Ramona Insular of Castroville, a sophomore.

Pompon girls are Janice Kelly, Pat Van Aernam and Barbara Alinio, all Salinas, and Diane Byers, Watsonville. Alternates are Jane Ross, Greenfield; Delores Ashburn and Brenda Beecher, both Watsonville.

Tryouts were held Wednesday in the women's gymnasium. A committee of three faculty members and eight students made the selections.

## Thespians Set Cast Tryouts For First Play

The Hartnell college-community playhouse will present William Shakespeare's "As You Like It" as its first production of the fall semester, according to Mr. Hal Ulrici, director of the group.

Tryouts for this Shakespearean comedy will be held Monday at 7 p.m. The cast of characters offers potential roles for six women and 15 men. The group meets Monday, Tuesday, Wednesday and Thursday nights from 7 to 10 p.m. for rehearsals.

## Election Set For Sept. 24, 25, Filings Urged

Student body election will be held Sept. 24 and 25, according to Dr. Lionel Olsen, dean of student personnel. Students interested in filing for offices should see Dr. Olsen or Miss June Handley, dean of women.

Freshman and sophomore class officers and the president of the Associated Men Students will be elected. Dr. Olsen points out that invaluable experience in student government and in methods of democratic citizenship may be learned by participation in student government.

Commissioners who have already been chosen include: Bill Throgmorton, president; Fred Olin, vice-president; Bea

(Continued on Page 2)

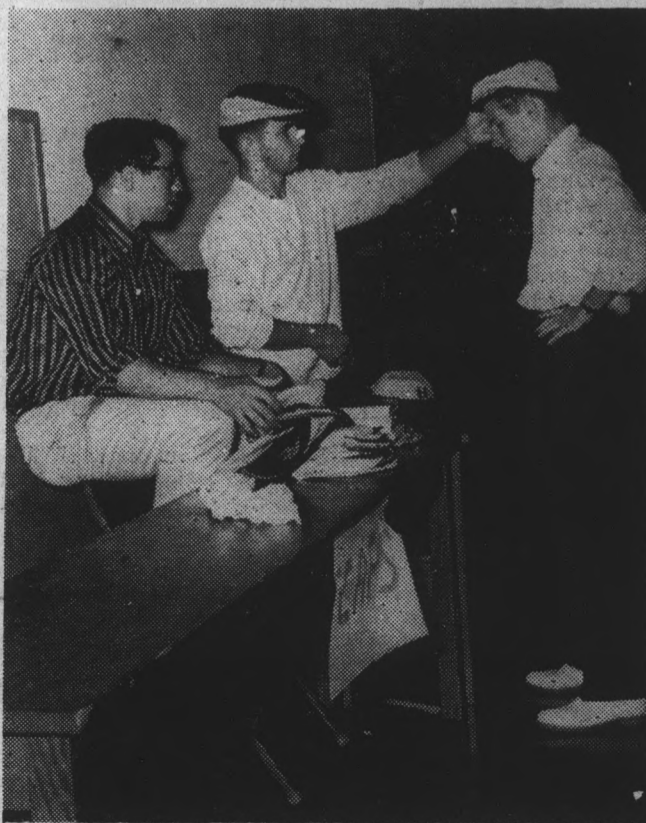

## Rally Will Open Football Season For Panthers

Tomorrow night at 6:30 on the Hartnell practice field the football season will be officially opened with an all-campus bonfire rally, complete with the Hartnell band, cheer leaders, and pompon girls.

Dr. J. Frederic Ching, Hartnell college president, and Mr. Stuart Dufour, vice-president, will speak, and also featured will be Coach Ken Blue, the football captains, Student Body President Bill Throgmorton, and Salinas Packer football players, Paul Larson and Don Manoukian.

After the rally the students will form a parade unit and march with the Hartnell band, directed by Mr. Robert Lee, to the stadium.

## Better Get a Hat, Buddy!

■ Ron Welch, Watsonville, heeds sophomore "get your dinks or else" warning. The salesmen are Frank Filice, Gilroy, and Bob Stolic, Watsonville. Block "H" club members are selling Ivy league dinks for men and special women's dinks for the feminine clientele. All rooters in the Hartnell cheering section tomorrow night must wear dinks.

## EDITORIAL

## Student Participation Urged

The Hartnell college year really gets off to a big start tomorrow night when the Panthers meet Porterville in the opening game of the season.

The football players are not the only ones involved however. A swarm of warm-up activities for the game are in the offing, beginning with today's rally. The bonfire rally tomorrow night and the march down Main street to the high school stadium should be included in the weekend plans of every Hartnell student.

At the game itself, the new yell leaders will get their first chance to show off their cheers. The pompon girls will go through their routines, and the Panther rooters will exercise their lungs. The screams should be endless and will be if the Panther gridders live up to the reputation they have already received as one of the top groups this college has seen in many moons.

Any honest-to-goodness Hartnell student who sits home tomorrow night watching Paladin should hide his head in shame.

Go to the game and don't forget the rally before and the dance after. Both activities are helping the Panthers kick off a big year.

## LITTLE MAN ON CAMPUS BY BAKER

'NO YOU CAN'T TAKE ENGLISH AS FULFILLMENT OF YOUR 'FOREIGN LANGUAGE' REQUIREMENT.'

## College Disqualifies 55 Students; Probation Granted 222 Others

Last semester 55 students were disqualified from Hartnell college and 222 students were put on probation. Students were disqualified if their grade point averages fell below 1.00 for two semesters of work or below 1.50 if based on more than two semesters' work.

Mr. Karl J. Bengston, dean of admissions and registrar, points that, without exception, the students who were disqualified had poor attendance. Students were placed on probation if their cumulative grade point averages were below 1.90, and if, after two semesters in probation, their grade point averages were below 1.75 they were disqualified.

## Off the Wall

## Vision is OK; They're Real

By MAL

ODD THINGS DEPT.: You freshmen aren't really seeing double. It's just Ouita Martin and Mary Ellen Smith. They look enough alike to be twins, but it's obvious that neither one has the Toni.

IT ONLY HURTS WHEN I LAUGH DEPT.: Tennis classes with Mr. G. D. P. V. and analytic geometry with Mr. Dan Coulter. Ohhhhh . . . that sun and those theorems. Maybe some day the clouds will roll by and the sky will be blue again. Here's hoping.

SOBER STUFF: Ski club seems to be shaping up real fine. Off to a flying start with the after-game dance next Saturday night. Yell for the team, then dance for fun. Sounds nice. Obythaway, you can join the club by talking to Diane Stone, Carol Moore, Dave Hitchcock, Mr. Lorenz Newton, or Miss Ruth Dally. Much fun coming up on trips to the lodges this winter; don't miss it.

OFF THE WALL MUSIC: Should put out an album called, "Music to Go to College By." Mr. McCann could get a teacher's chorus to do such songs as "Blue Monday," "What Am I Living For?" "I Don't Like It, But I Guess Things Happen That Way," and "Saturday Night Is the Happiest Night of the Week." We predict that this one would be a real big seller, 'specially around finals.

That's "30" for this go round. See you at the game and dance this Saturday.

## ICC Delegates Must Be Chosen

Each campus club must elect a representative to the Interclub council, according to Dr. Lionel Olsen, dean of student personnel. The duties of these representatives are to act as liaisons between the club groups and the student government.

The ICC will meet Thursday noons. It will organize the Hartnell college homecoming this year.

## COMMISSION . . .

(Continued From Page 1) Tanda, secretary; Ruben Rueda, finance; Jane Ross, social activities; Lotus Zuckswert, assemblies and rallies; Mayne Handley, men's athletics; Verna Lipska, women's athletics, and Barbara Alinio, president of Associated Women Students.

## WITNESS FOR THE INSTITUTION

## Harts Whip Sirloins; Ebel Avoids "Shaky"

BY RAYMONDO

Labor day officially opened the new grid season. Hartnell alumni greeted prospective new footballers with a hearty steak barbecue in the cafeteria. Over 50 pounds of choice grade "A" and a mountain of garlic bread vanished in the scrimmage.

Mr. Stuart Dufour was present and in rare form. He amazed awe-struck rookies by displaying professional agility and aggressiveness with knife and fork. All in all the program was a howling success and even Coach Ken Blue was forced to admit that in handling the sirloin his boys would finish the season somewhere near the top.

Dr. B. L. Borough spent his vacation following in the footsteps of an ex-president of the United States. He haberdashed in a local department store. While peddling ivy leagues and argyles he said he became increasingly aware of a strong movement to change the famous quote, "life, liberty and the pursuit of happiness" to read, "life, liberty and the pursuit of trading stamps."

## Gridders Making Good

Mr. Emil Ramos said his vacation was so completely relaxing that his self-winding wristwatch stopped five times.

Tony Teresa, the noblest Panther of them all, has for the past month shown his tremendous competitive spirit in a valiant attempt to break into the S.F. 49'ers lineup.

Ex-Panther Ed Brown, Hartnell's great quarterback in '48, will encounter less difficulty in again securing his post piloting the famed "Monsters of the Midway," the big, bad Bears from Chicago.

After the two biggest boxoffice successes in Hartnell Little theater history, "Tea House of the August Moon" and "The Solid Gold Cadillac," both starring Lloyd Ebel, Mr. Hal Ulrici will present a Shakespearean play which will not star Lloyd Ebel. Shakespeare tends to give Lloyd important duties elsewhere.

If you are thinking of joining any campus clubs, Mr. Robert Johnston tells me that Alpha Gamma Sigma will likely not be overcrowded. All you need is a 3.3 grade point average. Elementary, Watson, elementary.

MOST LIKELY TO MAKE GOOD DEPT.: Bob Harrison will be the best lineman since Herman and Brandon of the '54 national champs! Outstanding darkhorse grid candidate? From the "blue" country by way of little old Chicago, Clem De Luca, a halfback.

"COKE" IS A REGISTERED TRADE-MARK. COPYRIGHT © 1958 THE COCA-COLA COMPANY.

**Gosh frosh!**

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the hep drink on campus, I mean. Always drink it, you say? Well—how about dropping over to the dorm and downing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.

SIGN OF GOOD TASTE

Relax, Governor!

## Halfback Has no Gun, Won't Go to Arkansas

By Jim Maloney

Jim Ward, until recently an Arkansas boy, played a good game of football for his high school. His best position was at the halfback slot. Suddenly, Jim found himself switched to guard by order of the president of the United States.

In his off-school time, Jim was a member of Company C, 153rd Infantry battalion, Arkansas national guard. Last year, when trouble was brewing over the integration of Little Rock's Central high school Jim's unit was ordered to the school to stand guard duty for the duration of the unrest. The unit arrived shortly before school started and stayed until December 18. They were stationed at Camp Robertson, just outside of Little Rock.

Seeing the same trouble brewing again this year, we decided to have a talk with Jim to try to get the inside story on the trouble at Little Rock.

But, according to Jim, the trouble was mostly in the papers. Jim stood guard at night to keep vandals from destroying the school building. The period remains marked in his memory as a very boring one. He saw no one, foiled no attempts to sabotage the school. He just stood, all night long. He remained on duty for a short period of time, then was moved back to Camp Robertson where he remained on standby status for the duration of the crisis. On Dec. 18, his unit was relieved and Jim went home for Christmas.

Jim feels that there may be a little trouble again this year, but that Gov. Faubus will eventually be forced to open the Little Rock high school again, and the integration of the students will be completed. He has no wish to spend another dull time guarding the school during the night.

Jim is out for football this year at Hartnell. Judging from his high school record he has a good chance to make the team. In high school Jim was a first stringer for two years and served as co-captain his last year.

With that sort of experience behind him, we know that Jim will establish an excellent record at the school of his choice, Hartnell college.

## Hartnell Tutors Drill at Ft. Ord

Two Hartnell instructors, Dr. Jerome Holmes and Dr. Curtis Wilson, spent parts of the summer in army reserve training at Fort Ord. They participated in the first two-week tour of active duty training from June 15 to June 29. They were attached to the G-3 section, a part of the implementation team testing Fort Ord passive air defense plan.

Dr. Holmes also spent the two weeks from July 5 to 19 attending the Sixth Army intelligence school studying combat intelligence. Dr. Curtis Wilson was one of Dr. Holmes' instructors, having spent from June 30 to Aug. 2 teaching a variety of military subjects and lecturing on Russian geography at the military intelligence school.

## Hardrock Club Plans Meeting

Hartnell college Hardrock club will hold its first meeting of the fall semester Tuesday noon. Mr. Raymond P. Puck, club adviser, invites anyone interested in rocks and minerals or the geology industry to attend. The club plans on showing films of geological interest and will plan field trips.

## 1958 Football Schedule

Sept. 20—	Porterville	Porterville
Sept. 27—	Cal Poly Frosh	Salinas
Oct. 4—	Compton	Compton
Oct. 18—	Diablo Valley	Pittsburg
Oct. 25—	Vallejo	Salinas
Nov. 1—	Menlo	Menlo Park
Nov. 8—	San Jose City	San Jose
Nov. 21—	Fresno City	Salinas
Nov. 27—	Monterey P.C.	Salinas

## Reception Held

About 250 students and teachers attended the freshman reception in the student lounge Friday night, according to Jane Ross, commissioner of social activities.

## PLACEMENT . . .

(Continued from Page 1) valuable sources of occupational information, particularly if they have had recent work experience in areas related to their teaching specialties. Instructors further increase students' occupational knowledge by making judicious referrals to men and women in the community working in fields in which the student is interested. Dr. Olsen reported this in an article he wrote for the magazine, "College and University Business," last spring.

## Two Bands Will Play At Opening Game Tomorrow Evening

The 52nd army training center band from Fort Ord will accompany Mr. Robert Lee's Hartnell college band in playing of the national anthem at tomorrow's football game. Mr. Lee hopes to have his collegians ready to march at halftime. The soldiers will play three other numbers.

## Courses Added To College List

Two new courses, police training and English workshop, have been added at Hartnell college this term.

The police training course is instructed by Captain F. F. Simmons of the California highway patrol. The enrollment is about 20 students. When Capt. Simmons can't be there the class will be instructed by a highway patrolman. The class is offered on Monday, Wednesday and Friday at 9 a.m.

The English workshop is offered on Tuesdays and Thursdays for those having trouble with grammar. The instructor is Mr. Emil Ramos. No credits are offered.

## Dance Planned

The Ski club will sponsor the after-game dance tomorrow evening.

## Doctor's Degree Earned By Science Instructor

Dr. James Wilson, Hartnell science instructor since 1946, has completed requirements for his doctor's degree in biological science. The degree will be conferred by Stanford university next month.

Dr. Wilson's dissertation resulted from research in the field of gene action. He studied surgical operations on single cells through the use of a micromanipulator, working out micro-surgical methods which can be used in other fields of genetics and in further exploration of gene function.

Hartnell biological teaching facilities have been enlarged this year with the addition of a bacteriology laboratory at Hartnell A. and M. Dr. Wilson is supervising the laboratory Tuesday and Thursday afternoons. He will teach physiology there in the spring.

Dr. Wilson received his B.S. degree from Southern Illinois university and his M.S. degree from Iowa State college. He was granted a sabbatical leave in 1955-56 to work on his doctorate. He continued his research while on a leave of absence during the 1956-57 college year.

## Drama Club Plans Tuesday Election

The Hartnell Drama club will hold its first meeting of the fall semester on Tuesday at 12:30 p.m. in room 29. The club will elect officers and make plans for the coming semester.

## Commissioners Were Chosen

Appointment of three new commission members was announced after Tuesday's student commission meeting.

The new commissioners are Verna Lipska, women's athletics; Wayne Handley, men's athletics, and Jim Huffman, public relations. Betty Lionel was appointed advertising manager for the Panther Sentinel.

## Coaches Discuss Grid Prospects

■ Don Nergord, end coach, right; James (Barney) Muldoon, line coach, and John (Skip) Schwellenbach, backfield coach, discuss opening game lineups and season's prospects with Coach Ken Blue.

## 12 Cross Country Prospects Get Ready for Opening Race

The Hartnell cross-country team will journey to Concord for their first meet Oct. 18 against Diablo Valley college.

So far, Coach G. Ed Adams reports 12 men have signed up for the squad. Heading the list is Rudy Garcia, Soledad, the only runner with previous experience in cross-country. Bruce Logan and Keith Miller, both Salinas, are runners with long distance experience in high school, and Coach Adams expressed belief that that they will show up well.

Other signees are Truman Bankston, Jim Cook, Fred Ertman, Richard Fleming, Michael Gleeson, George Nicolaides, Bob Rachley, Dominick Saccully and Thomas Whitney.

The Hartnell cross-country schedule follows:

Oct. 18, Hartnell at Diablo Valley;

Oct. 25, Vallejo at Hartnell;

Nov. 1, Hartnell at San Jose;

Nov. 8, San Jose at Hartnell;

Nov. 15, Coast conference meet at Hartnell;

Nov. 22, Northern California junior college cross-country.

### Panthers on Air

Salinas radio station KSBW will be carrying a direct broadcast of all Hartnell football games starting with the season opener tomorrow night with Porterville. Time for the broadcast is 8 p.m. Mike Morisoli will be the sportscaster.

## Coach, Journalist Will Speak Today

There will be rally today in the gym at 11 a.m. Coach Ken Blue will talk on the strengths and weaknesses of the football team. Ernie Olsen, sports editor of the Salinas Californian, will also speak.

The band will play, and there will be an introduction of candidates for student body offices and a short talk from each candidate. The line of march for students' bonfire rally will be explained.

### GREG'S GRIPES

## Panthers Boil From Hot Drills

By Jim Gregory

Was it too hot for you last week. Well, if you think it made you miserable, think how miserable it was for the football team. At 2 p.m. each day last week the players dressed out in a heavy uniform and worked for over an hour.

It takes a lot of will power to go out every day and work in the hot sun. If the Panthers can put out that much effort, the least we can do is go to the Porterville game and give them some backing.

The Panthers have the depth and speed this year to have an outstanding team. The greatest depth is probably at the halfbacks where Coach Ken Blue has a choice of at least seven players. There is Hal Turner, Dick Hardy, and Bob Cabanyog returning lettermen; Chris Machado and Vern Horton, former Salinas high school backs, Dick Juarez from Livingston and Clem DeLuca from Chicago.

The Panthers exhibited some of their potential last Saturday in the scrimmage with Taft. Hartnell scored five touchdowns to Taft's none. Last year Taft stopped Porterville.

JIM GREGORY • SPORTS EDITOR

## Porterville First Grid Opponent; Coach Blue Picks Starting Lineup

By Dave Wynne

The Hartnell Panthers will play their opening game at 8 p.m. tomorrow against the Porterville Pirates in the Salinas high school stadium. Porterville is a traditional opening game opponent for the Panthers and has defeated the Hartnell squad the past two seasons. Last year's game resulted in a 27-6 win for the Pirates.

The starting lineup for the Hartnell squad includes Ken Blanton, Watsonville, and Lonnie Sloan, Ceres, ends; Bob Harris, Gilroy, tackle; Gary Harris, Salinas, and Roger Anderson, Watsonville, guards; Bill Elliott, Salinas, center; Wayne Handley, Soledad, quarterback; Jim Stireman, South San Francisco, fullback.

Gridmen in the battle for opening halfback positions are Hal Turner of Menlo Park, Bob Cabanyog of Salinas, and Dick Hardy of Watsonville, sophomores, and freshmen, Dick Juarez of Livingston and Chris Machado of Salinas.

Opening in the Porterville lineup are George Lewis, quarterback; Jim Boyett, halfback; Phil Simonelli, fullback; Jim Huey, halfback; John Fergacca, center; Merle Dasset, guard; Larry Gullen, guard; Jay Carter, tackle; Leon Gartling, tackle; Bill Milinich, left end; Richard Lemas, right end.

Gary Harris, starting for the Panthers, injured a leg last Saturday but is expected to play in the Pirate game. Also on the injured list are Julian Aguilar, end from Gilroy, and new Hartnell gridders, Bud Bosworth,

Saratoga, tackle, and Greg Reidenback, Kendallville, Ind., fullback.
